Practical Holiday Gifts

There is always someone to whom you want to give a practical holiday gift—one that represents more than the ordinary amount paid for trashy trifles—a gift that will represent thought on your part in its selection. There are lots of such gifts in this store, and every day between now and Christmas we will make many practical suggestions.

BLACK CAT HOSIERY—Manufacturers of Black Cat Hosiery have just issued a bulletin guaranteeing their new Black to be superior in many ways to the best German dyes. Notice of this discovery is now being printed in every newspaper and magazine in the country.

It means a whole lot to you who buy Black Cat Hosiery to know that the dye is fast and perfectly sanitary.

We consider ourselves fortunate in having the Black Cat agency—the best Hosiery sold in America to-day.

Christmas Specials

We have lots of kinds that we carry only at Christmas time. From now on you should do a little looking before you buy. If you see what you would like and are not ready to buy, ask to have it reserved for a few days. We want to serve you all just the very best that we can. You will have to help us just a little if you get our best service.

This year of all years, things that are sold out will be very hard to replace.

Our stock is the largest that it ever was, our Bargain Basement adding materially to the convenience and shopping capacity of our whole store. You will find that you can do more shopping with us this season than ever before, and be pleased with all you buy.

Ask to see the following that we bank on as the very best your money can buy: Marshall Field & Co.'s Handkerchiefs, a very large selection; Little's Pocketbooks and Handbags; Pelgram & Meyers' Ribbons, Plume Brand Muslin Underwear for gifts; Feather Boas, beautiful line of Shell Hair Goods, Silk Neck Scarfs, Wool Scarfs with Toggles to match; new lot Boudoir Caps, Ladies' Gents' and Children's Sweaters, Jewelry, and a beautiful line of Ivory Pyralin in Brush and Comb Sets, Trays, and all the different articles made in this class of goods.

Black Cat Hose

Black Cat costs no more than other kinds that will fade and crock. It cost them \$100,000 to perfect the dye that they now use.

Black Cat Hose for children and ladies in all weights, all sizes. The most complete line in Vermont at the price, 25c per pair.

Black Cat people make a 15c Hose that we do not carry. We have perfect confidence in their 25c numbers and don't believe in selling our trade the poorer numbers. We have always tried to protect our trade by selecting good values.

Ask to see Black Cat Silk Hose at 50c and \$1.00 per pair. These put up in Christmas boxes that make them more attractive and do not cost the giver any more. We stand the extra expense for the sake of giving our trade better service.

We parcel post free any of these values ordered by mail.

You should visit our Bargain Basement for Dolls and Toys. All Dolls and Toys are of the best grade that can be bought. Almost all are of German manufacture—Dolls and Toys that came into New York in October, that had been held up on the way for nearly one year. You are getting the genuine German goods at very low prices. The only thing is that there is just about half enough to go around. Some are sure to be late and disappointed.
